## COMPANY HISTORY

In 1991 Gerald Hugh Paxman registered the company Paxman Construction cc in the town of Empangeni on the north coast of Zululand and began establishing a reputation for maintaining a high standard of workmanship. In 2004 his son Michael John Paxman joined the company as a post graduate student and continued to follow in the footsteps of his father. The business grew further when Gerald's second son Christopher Rick Paxman an IMM student joined the company in 2008. The combination of skills and experience has since resulted in the company opening a second branch in Durban which is managed by Christopher Paxman and continues to focus on providing service excellence by maintaining high values, ethics and work standards. The Empangeni branch currently acts as the head office and operates from the company owned premises located at 3 Blesbok Street.

## WHAT WE DO

Paxman Construction has diversified its services to accommodate for a wide variety of construction and building maintenance needs including construction of turnkey domestic and commercial buildings, alterations to existing structures, general maintenance & repairs. A few long standing clients of the company include Eskom Holdings, Tongaat Hulett Sugar & Afrox Gas.

Paxman Construction also offers a specialised home insurance department. The company is currently on the preferred service provider panel for Standard Insurance Limited, ABSA Insurance, Nedbank Insurance, Old Mutual Insure, Santam Insurance, Discovery Insurance & SA Homeloans Insurance to mention a few.
